

LABELING SOLUTIONS

Iconex® MAXStick MAXD

Maximize restaurant performance and sustainability all-in-one

Sustainably serve the toughest QSR applications with a universal labeling solution for kitchen order prep and staging operations. Iconex MAXStick MAXD linerless labels offer best-in-class design and twice the adhesion strength. Plus the phenol-free eco-friendly design is kitchen safe and reduces overall waste.

Eliminates the wrap and sandwich guessing game

Maximized diamonds seamlessly stick and grip to seal and identify.

Expedites operations with “Quick Grip” technology

Outstanding grab and hold for curved or soft surfaces and flexible packaging

Simplifies cold and hot food handling with all-temp compatibility

Frozen drinks to hot foods, moisture resistant and heat safe up to 220F.

Easy handle, easy to apply, and food safety compliant

Residue free for kitchen and glove safe handling.

Sustainably reduces environmental impact

Eco-friendly design is phenol-free, 100% recyclable and compostable.

Iconex is the world's leading provider of innovative label solutions that create value for our customers by improving operational efficiency. Our highly differentiated label solutions target specific markets and solve business process problems by utilizing our extensive R&D resources, patent portfolio, and best-in-class manufacturing. Building upon our unique tradition of innovation, we anticipate trends, develop timely solutions, and help solve business challenges. This information is subject to change without notice.
